TAX CREDITS AND FORM 1095-A

PREMIUM TAX CREDITS: HOW TO GET THEM

- Two ways to get Premium Tax Credits:
 - Advance Premium Tax Credits (APTC)
 - When you apply for financial assistance through NY State of Health, the APTC reduces monthly premium
 - Based on expected income during the tax year
 - Must be reconciled with IRS on federal tax return
 - Premium Tax Credits (PTC)
 - When you file your federal tax return at the end of the year
 - Based on actual income during the tax year

PREMIUM TAX CREDITS: ELIGIBILITY CRITERIA

- Be an “Applicable Tax Payer”
 - Income $\geq 100\%$ and $\leq 400\%$ FPL
 - Cannot be claimed as a dependent on another person’s tax return
 - If married, file taxes jointly (some exceptions)
- Be enrolled in coverage through NY State of Health for at least one month during the tax year
 - Enrolled in a Bronze, Silver, Gold or Platinum (not Catastrophic)

Part III

- EHB portion of QHP and standalone dental plan premiums
- SLCSP premium for the coverage household for policies that used APTC

FORM 1095-A (SLCSP)

In Part III, the Second Lowest Cost Silver Plan (SLCSP) premium is only populated on the form when APTC was used.

- For Forms 1095-A with no APTC, recipients need to look up their monthly SLCSP premiums.
- NY State of Health will provide a table of SLCSP premiums along with the 1095-A form. This form will also be available at the NY State of Health website.
- Consumers may notice this year that there are 2 separate tables showing the SLCSP 2017 monthly premiums.
 - Please review the table names carefully!
 - Consumers should use the 2nd table if they have tax dependent child(ren) ages 26-29 on their policy.

APTC RECONCILIATION

- The amount of APTC is based on estimated 2017 income.
- APTC taken by an individual during the tax year is compared to the PTC based on the actual 2017 income using IRS Form 8962.
 - **If your total PTC from IRS Form 8962 is less than your advance PTC**, you might have to give back some of the tax credit in the form of higher taxes or a smaller refund.
 - **If your total PTC from IRS Form 8962 is more than your advance PTC**, you might get more financial help in the form of a larger refund or lower taxes.

FINANCIAL ASSISTANCE: RECONCILIATION

- Only APTC is reconciled.
 - APTC is only reconciled with the IRS.
 - APTC is not reconciled with the NY State of Health or health insurers.
- There is no reconciliation for Cost Sharing Reductions.

PREMIUM TAX CREDITS: CONSIDERATIONS

- Taking APTC or claiming PTC is optional for consumers.
- A federal tax return must be filed by individuals who received APTC or want to claim PTC.
 - Enrollees must file a Form 1040, Form 1040A, or Form 1040NR and attach Form 8962 (explained later).
 - Form 8962 cannot be filed with Form 1040EZ, 1040NR-EZ, Form 1040-SS or Form 1040-PR.

EXAMPLE 1: ADDITIONAL TAX CREDIT DUE TO ENROLLEE

- Juan is an unmarried adult with no dependents. He lives in Queens and was enrolled in a Qualified Health Plan for 12 months in 2017.
- When Juan signed up for coverage, he estimated his 2017 income to be \$28,000 (235.7%FPL).
 - He was eligible for an APTC of \$277.03 per month and used the full amount towards his premium, for an annual total of \$3,324.36.
- When Juan completes his federal tax return, his actual 2017 income was \$23,800 (200.3%FPL).
 - The amount of PTC he is eligible for based on actual income is \$328.73 per month or \$3,944.76 for the year.

EXAMPLE 1 (CONTINUED): ADDITIONAL TAX CREDIT DUE TO ENROLLEE

+ \$620.40

Additional credit of \$620.40 will be claimed on Juan's federal tax return

* Calculated with Form 8962 (discussed later)

APTC RECONCILIATION: REPAYMENT CAP

- When enrollees apply more APTC than they were eligible for based on actual income, they will have to repay some or all of the tax credit.
- However, there is a limit on the amount that has to be repaid if household income is less than 400% FPL.

HH income as FPL%	Single Taxpayer	All other Filing Statuses
< 200%	\$300	\$600
≥ 200% - < 300%	\$750	\$1,500
≥ 300% - < 400%	\$1275	\$2550
≥ 400%	No cap, must pay back all credits	No cap, must pay back all credits

EXAMPLE 2: REPAYMENT OF APTCs

- Christine is an unmarried adult with no dependents, living in Albany. She was enrolled in a QHP for 12 months in 2017.
- When Christine signed up for coverage, she estimated her 2017 income to be \$25,000 (210.4%FPL).
 - She was eligible for an APTC of \$298.65 per month and used the full amount towards her premium, for an annual total of \$3,583.80.
- When Christine completes her federal tax return, her actual 2017 income is \$30,000 (252.5%FPL).
 - The amount of PTC she is eligible for, based on actual income, is \$233.07 per month or \$2,796.84 for the year.

EXAMPLE 2 (CONT'D): REPAYMENT OF APTCS

- Repayment cap for single adults $\geq 200\%$ FPL – 300% FPL.
- Christine will re-pay this amount to the IRS through her federal tax return.
- The process for calculating the excess credit will be discussed later.

PROCESS TO RECONCILE APTC AND CLAIM PTC

Step 1:

NY State of Health sends 2017 enrollment information to QHP enrollees in January 2018

- Form 1095 –A from NY State of Health

Step 2:

Consumers reconcile APTC or claim PTC on their federal tax return during tax filing season

- Use Form 1095-A from NY State of Health to complete IRS Form 8962

Step 3:

Consumers who took APTC or are claiming PTC must file their federal tax returns with the IRS during tax filings season

- IRS Form 1040 + IRS Form 8962

FORM 1095-A: RECIPIENTS

- For QHPs with APTC, NY State of Health sends one form per policy, per tax household.
 - If the account has one tax household enrolled in the policy, the account holder will be sent one form.
 - If the account has two tax households enrolled in one policy, the primary tax filer from each tax household will receive a form.
- For QHPs without APTC, NY State of Health sends one form per policy, even if enrollees are in different tax households.
 - Form 1095-A is sent to the account holder.

RECIPIENT EXAMPLE

Jane and John are married filing jointly. They enrolled in a QHP for 12 months, with APTC in each month.

- One (1) Form 1095-A will be sent to Jane, who is the account holder. The form will include both Jane's and John's enrollment information.

Jane and John also enrolled Mary, their 25 year old daughter, in their family policy. Mary is not a dependent and is in a separate tax household.

- One (1) Form 1095-A will be sent to Jane. It will have both Jane's and John's enrollment information.
- One (1) Form 1095-A will be sent to Mary. It will have only her enrollment information.

FORM 1095-A: MULTIPLE FORMS

- Multiple forms will be issued if:
 - The household used tax credits for some months and did not use tax credits for other months
 - There is a change in primary subscriber for the policy
 - There is a change in plans
 - Different members of the household were enrolled in different plans
 - The household enrolled in one plan, dis-enrolled and then re-enrolled in the same plan

MULTIPLE FORMS EXAMPLE

- Mark and Mei enrolled in a full cost QHP in January and February. They changed plans starting in March.
 - Mei, the account holder, will receive one (1) Form 1095-A, with enrollment information for herself and Mark, for the months of January and February.
 - Mei will receive a second (2nd) Form 1095-A for herself and Mark for the months of March through December.

MULTIPLE FORMS EXAMPLE

- Abdou and Fatima were enrolled in a QHP with APTC from January through March, and became ineligible for APTC for the rest of their 2017 enrollment period.
 - Fatima is the account holder and will receive one (1) Form 1095-A for the enrollment period of January – March and a second (2nd) Form 1095-A for the rest of their 2017 enrollment period. Both forms will have enrollment information for Fatima and Abdou.

FORM 1095-A: APTC & GRACE PERIODS

- Enrollees are only eligible for APTC in months in which they paid their share of premiums.
- If an insurer provided coverage for a month that an enrollee did not pay his or her share of the premium, the enrollee has to pay back the PTC that was paid to the insurer for that month.
 - The consumer would be required to repay PTCs (which they were not eligible for, because they did not pay their share of the premium in a given month) to the IRS when they file their annual taxes.

FORM 1095-A: APTC & GRACE PERIODS

Example:

- January 2017: Helen and Maurice enrolled in a health plan with financial assistance.
- January – May 2017: They paid their share of the premium each month.
- June 2017: They did not pay their premium for June. They started the 90 grace period. APTC was paid to the health plan for June.
- September 2017: They did not pay the premium for June and consistent with federal rules, were retroactively terminated from the plan on June 30. They were not eligible for APTC for June because they did not pay their premium. They are required to repay their June APTC to the IRS when they file their annual taxes. APTC was not paid after June, so the repayment obligation is only for one month.

HOW IS FORM 1095-B USED?

- Consumers should use it to complete their taxes, then keep the form with their records.
- Consumers do not need to attach Form 1095-B to their income tax returns.
- If a consumer does not file taxes, the form should be kept with his or her records.

We do not advise consumers on whether they need to file taxes. If a consumer asks if he or she needs to file a tax return, refer the consumer to the IRS website (www.IRS.gov) or their tax professional.

Form 1095-B for MA/EP coverage will be issued by NYS Department of Health. This includes individuals whose coverage is through LDSS, HRA, or NY State of Health.

- Every household member and every Client Identification Number (CIN) or enrollee identification number that had qualifying coverage will receive a Form 1095-B. This means some consumers may receive multiple Forms 1095-B for Medicaid coverage.
- MA/EP consumers requesting general information about their 1095-B forms or corrections can be assisted by calling the NY State of Health Customer Service Center.
- All MA/EP consumers requesting reprints of their Form 1095-B can be assisted by calling the NY State of Health Customer Service Center.
- Non-NY State of Health Medicaid enrollees requesting updates or corrections to their 1095-B forms should be referred to HRA or LDSS to have those corrections made.

CHPLUS CONSUMERS

Children enrolled in CHPlus will receive their Form 1095-B from the NYS Department of Health.

- Requests for reprints will be handled by the NY State of Health Customer Service Center.
- Requests for coverage corrections can also be handled by the NY State of Health Customer Service Center.
- Requests for updates and coverage corrections for consumers who enrolled directly through a plan need to be referred to the issuing plan.
- A separate Form 1095-B will be sent for each child in a multiple-child household that is enrolled in CHPlus, even if all children are in the same household.
 - If the child is given a different ID number from his or her original when a plan is switched, the child will receive a separate form for that ID number.

CATASTROPHIC AND SBM PLANS

Form 1095-B for individuals with Catastrophic coverage purchased through the NY State of Health or directly from the health plan will be issued by the health plans not from the NYS Department of Health.

- Individuals enrolled in a Catastrophic plan should be referred directly to the health plan for reprints and form corrections.

Forms 1095-B for individuals enrolled through the Small Business Marketplace will be issued by the health plan not from the NYS Department of Health.

- SBM enrollees should be referred to their employers for reprints and form corrections.

Plan Selection Introduction

Coming Up in this Section

In this section, you will select a health insurance plan for yourself and your family members. It will show you the plans that are available to you, the benefits that the plans cover, the doctors and facilities that participate in the plan network, and the cost of enrolling in the plan.

In this section, you can pick plans for yourself and all of your eligible family members whether they qualify for Medicaid, Child Health Plus, or a plan offered through the Marketplace.

Here are some things to think about as you select a plan:

- Does it provide the benefits you need?
- What are the plan's deductible and other cost-sharing charges?
- Does it include your doctors, hospitals and other facilities "in network"?
- Does it cover the prescription drugs you need?
- Is it highly rated on the things that are important to you?
- Can you afford the premium for enrolling in the plan?

Sometimes, the plans that your provider accepts, or the "network" they are in, will change. It is always best to check with your provider and the health plan first. We strongly encourage you to call your doctors, hospitals, other facilities, and the health plans directly before completing the plan selection process.

If you think you cannot afford to purchase health insurance, you can also learn more about exemptions in this section.

We will now look at the plans that are available to you and your family.

Health Plan	Monthly Premium	Advance Premium Tax Credit	Amount you Would Owe
Current Plan Name: <input type="text"/> ST INN Pediatric Dental Dep25 Metal Level: Silver	\$356.90	\$70.00	\$286.90
New Plan Name: <input type="text"/> ST INN Pediatric Dental Dep25 Metal Level: Silver	\$356.90	\$70.00	\$286.90

Important: If you change your health plan mid-year, the amount you have already paid toward your annual deductible and out of pocket maximum will not count toward your new plan.

The people listed above are eligible for an advanced premium tax credit (APTC). You can use your APTC to help pay the premiums for your health coverage. If you use this option, the federal government will send the APTC to the insurance companies of your choice each month. You will be responsible for paying the remainder of the cost of your premiums. ⓘ

You are also eligible to get help paying for your out of pocket costs. This means you will pay less when you go to the doctor or get a prescription, and your yearly deductible is smaller. But you must pick a silver-level health insurance plan if you want this benefit.

In some situations, you and your family members may not be able to enroll in the same plan. You and your family members will have to select different plans. In these situations, the APTC will be "split up" and sent to the insurance companies of your choice each month.

You will be able to select one of the following types of plans for each family member:

- A medical plan that does not include dental coverage;
- A medical plan that includes dental coverage for all of the family;
- A medical plan that includes medical coverage and dental only for children.

If you choose a medical plan without dental coverage or a medical plan with only child dental coverage, you can also choose to buy a dental plan.

I understand that because advance payments of the premium tax credit will be paid on my behalf to reduce the cost of health coverage for myself and/or my dependents, I must file a federal income tax return. If I'm married at the end of the coverage year, I must file a joint income tax return with my spouse.

I also expect that no one else will be able to claim me as a dependent on their federal income tax return. I will claim a personal exemption deduction on my federal income tax return for any individual listed on this application as a dependent who is enrolled in coverage through this Marketplace and whose premium for coverage is paid in whole or in part by advance payments.

If any of the above changes, I understand that it may impact my ability to get an advance premium tax credit. I understand that the advance premium tax credit (APTC) is based on my projected annual income. I understand that when I file my federal income tax return, the Internal Revenue Service (IRS) will reconcile my APTC with my income I report. I also understand that if my income is higher than what I told you on my application, I may have to pay a tax liability. If my income is lower than what I told you on my application, I may receive a tax refund.

Check here if you have read the information above and are ready to check out.
